

### 4.11 Script for Administering English Language Arts/Literacy (ELA/L)

The administration script under Section 4.11.1 will be used for all units for the ELA/L Test. On the first read through, Test Administrators are required to adhere to the scripts provided in this manual for administering the CCRS Interim Assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should ONLY be read aloud if they are applicable to your students. Some directions may differ slightly by unit and are noted within the administration script.

End of Test 1 – Students <b>Submit Final Answers</b>				

It is critical to ensure that students have the appropriate accessibility features and accommodations prior to testing. Refer to Section 3.3 for further instructions on how to check accessibility features and accommodations.

Before students can begin testing, the test session must be started in Pearson Access. Additionally the test must be unlocked (refer to Section 4.3 for more information). Speak to your School Test Coordinator to determine who will complete these two tasks prior to testing. Test Administrators must make sure all testing devices are turned on and have the TestNav application open. Make sure all testing devices display the Sign-In screen as shown below (under the Checking Audio Section).

If you are found to have unapproved electronic devices during testing, your test might not be scored.</b></p>
