NOTE:

- The reading dimension is not scored for elicited narrative stories.
- Per the CCSS, narrative elements in grades 3-5 may include: establishing a situation, organizing a logical event sequence, describing scenes, objects or people, developing characters' personalities, and using dialogue as appropriate.
- The elements of organization to be assessed are expressed in the grade-level standards W1-W3.

A response is considered unscoreable if it cannot be assigned a score based on the rubric criteria. For unscoreable student responses, one of the following condition codes will be applied.

Coded Responses:

A=No response B=Response is unintelligible or undecipherable C=Response is not written in English D=Off-topic E=Refusal to respond F=Don't understand/know
