### 4.11.1 Grades 3, 4, and 5 Mathematics – All Units

The administration script under Section 4.11.1 will be used for all units of the Grades 3-5 mathematics test.

On the first read through, TAs are required to adhere to the scripts provided in this manual for administering the CCRS summative assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should ONLY be read aloud if they are applicable to your students. Some directions may differ slightly by unit and are noted within the administration script.

It is critical to ensure that students have the appropriate accessibility features and accommodations prior to testing. Refer to Section 3.3 for further instructions on how to check accessibility features and accommodations. Test Administrators must make sure all testing devices are turned on and have the TestNav application open (or follow your school instructions for accessing the **Sign-In** page. Make sure all testing devices display the **Sign-In** screen as shown under the Checking Audio Section). **If headphones are needed for accessibility purposes, make sure they are plugged in prior to launching TestNav (except for headphones that are used as noise buffers).**

Hindi pinapayagan ang pagtawag, pag-text, pagkuha ng mga larawan, at pag-browse sa internet. Kung may dala kayo ngayong anumang hindi inaaprubahang elektronikong device kasama na ang mga cell phone, paki-off ang mga ito at itaas ang inyong kamay. Kung mahuli kayong may hindi inaaprubahang elektronikong device habang kumukuha ng pagsusulit, maaaring hindi bibigyan ng score ang inyong pagsusulit.</p>

If a student raises his or her hand, collect the electronic device (or follow DoDEA policy) and store it until the unit is complete. Certain electronic devices may be allowed for accommodations purposes only during testing. Please contact your STC if you have questions regarding electronic devices.

#### Checking Audio (for Mathematics Accessibility Features only)
